Useful Tips for Using "Adult Octopus Watch":
1. The Octopus number is required when applying for certain Octopus services. It is usually printed on the back of the Octopus card/ornament. Please be reminded to remove the packaging before use.
2. Holders may add value to their Octopus at all Octopus Authorised Add Value Service Providers (except Add Value Machines) with cash or via Octopus App up to a maximum of \$3,000.
3. Place your Octopus steadily over an Octopus reader, hold and wait until you hear a "Dood" sound and there is an indication that the transaction is completed and the remaining value is shown on the screen before removing your Octopus. If the transaction is incomplete because you hold your Octopus too quickly over a reader, please present it over the reader again.
